

Healthy Recipe for the Holiday Season

Chicken Salad with Veggies Slices

This old fashion recipe is easy to make and can be used for many occasions!

Ingredients:

1. 2 cups of cooked chicken breast
2. ½ cup of mayonnaise
3. 1-2 large cucumbers
4. 2-3 red or yellow or orange bell peppers

Chop chicken into small pieces (less than 1/4"). Mix chopped chicken with the mayonnaise and refrigerate. Wash cucumbers and peppers. Cut into wedges or small squares. Place ½ Tablespoon of chicken salad on the wedges. Once you are out of cut vegetables, place the remainder of the chicken salad in a bowl or in the bottom half a pepper with small fork on the tray. You can cut other vegetables and have your guests assemble their own creation. Enjoy!
